

IWVGA Board Meeting November 21, 2019

- **Prop 68 Status**
 - Proposition 68 application was submitted to DWR on November 14, 2019
 - Submittal due date was extended to November 15, 2019
 - Public review of draft funding list (~January/February 2020)
 - DWR final awards (~March 2020)
- **IWVGA Projects**
 - Evaluated Imported Water Opportunities (\$144,700 requested)
 - Shallow Well Mitigation Plan (\$195,300 requested)
 - Groundwater Allocation Process (\$250,600 requested)
 - Groundwater Pumping Fee Support (\$163,300 requested)
- **Total Grant Funding Requested = \$753,900**
 - Approximately 50% is recovery of past IWVGA related expenses
 - DWR staff previously indicated IWVGA was eligible for \$330,827 in funding (tentative), which may potentially cover all past IWVGA related expenses
 - IWVGA is responsible for cost share (15% of total) or \$133,000. IWVGA has already spent approximately \$100,000 in in-kind services related to the grant projects
