BOARD OF DIRECTORS

# AGENDA

Wednesday, August 10, 2022 Closed Session – 10:00 a.m. Open Session – No earlier than 11:00 a.m.

<u>NOTICE:</u> In accordance with the evolving public health declarations, we will continue to provide live stream video for those wishing to participate virtually. Please see the Public Comment Notice below for detailed instructions on submitting public comment as well as websites for livestream broadcasting. Telephonic participation by members of the Board and staff is expected.

In compliance with the Americans with Disabilities Act, if you are a disabled person and you need a disability-related modification or accommodation to participate in this meeting, please contact April Keigwin at (805) 764-5452. Requests must be made as early as possible and at least one full business day before the start of the meeting. Documents and material relating to an open session agenda items that are provided to the IWVGA Board of Directors prior to a regular meeting will be available for public inspection and copying at Ridgecrest City Hall, 100 W California Ave, Ridgecrest, CA 93555, or online at https://iwvga.org/.

#### Statements from the Public

The public will be allowed to address the Board during Public Comments about subjects within the jurisdiction of the IWVGA Board and that are NOT on the agenda. No action may be taken on off-agenda items unless authorized by law. Questions posed to the Board may be answered after the meeting or at future meeting. Dialog or extended discussion between the public and the Board or staff will be limited in accordance with the Brown Act. All Public Comment portions of the meeting shall be limited to three (3) minutes per speaker. Each person is limited to one comment during Public Comments.

### **14. ADJOURN**

#### PUBLIC COMMENT NOTICE

On September 16, 2021, Governor Newsom signed into law Assembly Bill 361, relating to the convening of public meetings in light of the COVID-19 pandemic. At this time, the Indian Wells Valley Groundwater Authority is continuing to hold board meetings in order to conduct essential business. IWVGA meetings will be open to the public for physical attendance; However, for those who wish to continue using virtual alternatives please follow the directions below for access to live steam video as well as ways to submit public comment.

#### • <u>Watch meetings on-line:</u>

All of our meetings are streamed live at <u>https://ridgecrest-ca.gov/369/Watch</u> (4 second streaming delay) or on YouTube at <u>https://www.youtube.com/cityofridgecrest/live</u> (22 second streaming delay) and are also available for playback after the meeting.

#### • <u>Call in for public comments:</u>

If you wish to make verbal comment, *please call (760) 499-5010*. This phone line will allow only one caller at a time, so if the line is busy, please continue to dial. We will be allowing a 20-30 second pause between callers to give time for media delays and callers to dial in. Due to media delays, please mute your streaming device while making public comment. If you wish to comment on multiple items, you will need to call in as each item is presented.

\*Please Note – This process will be a learning curve for all, *please be patient*.

#### • <u>Submit written comments:</u>

We encourage submittal of written comments supporting, opposing, or otherwise commenting on an agenda item, for distribution to the Board prior to the meeting. Send emails to akeigwin@rgs.ca.gov written correspondence may be sent to April Keigwin, Clerk of the Board, 100 W. California Ave., Ridgecrest, CA 93555. Please specify to which agenda item your comment relates.

#### • Large Groups:

If you are part of a large group that would like to comment on an agenda item, please consider commenting in writing. This will be as impactful to the Board as having a large group in attendance.

# INDIAN WELLS VALLEY GROUNDWATER AUTHORITY

City of Ridgecrest, Indian Wells Valley Water District, Inyo County, Kern County, San Bernardino County

**FROM:** IWVGA Staff

### SUBJECT: Agenda Item 9 – Authorize Award of Contract for Rose Valley Monitoring Well Drilling Services

## BACKGROUND AND DISCUSSION

The Authority previously submitted a prioritized list of water security projects for potential funding from the Navy-Coso Royalties. The project that was selected for funding is the installation of shallow monitoring wells to collect data on the subsurface flow from the Rose Valley area into the basin. The purpose of the project is to provide information to update the hydrogeological model, so it more accurately depicts the dynamics of the IWV water basin (i.e., water storage, flows, etc.). The updated model will be used to prepare the 5-year update of the GSP.

The Board authorized release of a request for bids for well drilling services at the July 22, 2022, Special Board meeting. One bid was received by the deadline for the bid submittals on Thursday, August 4, 2022. Staff is reviewing the bid for completeness.

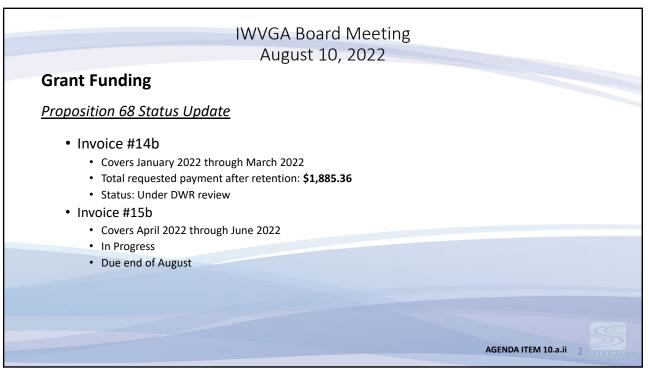

The original estimated cost for well drilling services was approximately \$300,000. The actual drilling contract cost is needed to complete the funding agreement for the Navy-Coso funds.

## ACTION(S) REQUIRED BY THE BOARD

Staff will make a recommendation regarding award of the contract for drilling services at the Board meeting.

Budget to Actual Report includes all revenues and expenditures during the calendar year and is on a cash basis. Accruals will be finalized during the year-end reconciliation and audit process and presented in a separate report. Billing and receipt of reimbursement grant program revenue may cross over fiscal years with revenue received for prior year programs. Separate reconciliation will be completed for grant programs.

Attorney Srvcs./IT/Chambers -FY's16-20		366,982		366,982
Inter-Fund Loans				
Estimated 2022 Loan to Extraction Fund*	-	-	1,062,745	1,062,745
Repayment of Adv. Of Funds to IWVWD**	-	-	500,000	500,000
Estimated 2021 Loan to Extraction Fund-TBD***	-	-	-	-
Postponed Invoice Payments				
None	-	-	-	-
Total	375,000	827,425	1,562,745	2,765,170

\* Included in Adopted Budget.

\*\* IWVWD used restricted Augmentation Revenue to repay the Advance Agreement.

Repayment of the IWVWD Advance requires a transfer from the Extraction Fund to the Augmention Fund.

\*\*\* Review of prior year use of Augmentation Revenue is on-going. Additional inter-fund loans will be presented in a future financial update. Amendment to the budget will be necessary to schedule a revised repayment.

IWVGA AS of July 31, 2022

### ADOPTED 2022 OBLIGATION REPAYMENTS

	Kern County	City of Ridgcrest	Augmentation Fund	Total
Advance Agreements \$125,000 scheduled in March, Aug, Sept, Dec	500,000	-	-	500,000
In-Kind Services Attorney Services/IT/Council Chambers	-	300,000	-	300,000
	500,000	300,000	-	800,000

Upon repayment of the 2022 Obligations, an inter-fund loan of \$800,000 will be created between the Extraction Fund and Augmentation Fund and added to Outstanding Obligations under Inter-Fund Loans.

*City of Ridgecrest In-Kind Services Repayment for prior years is included in the Outstanding Obligation Schedule. Currently* \$300,000 is budgeted for repayment in the Adopted 2022 Obligation Repayments Schedule. Amendment to the budget will be required to schedule a revised repayment and loan from the Augmentation Fund.

### July 2022 Activity

Total Available Cash By Activity as of July 31	\$ 4,455,366.34
July Cash Balance by Investment	
Kern County Treasurer	\$ 4,202,937.34
Mission Bank	 685,208.05
Total July Balance	\$ 4,888,145.39
Less: Outstanding Warrants	 (432,779.05 <u>)</u>
Total Available Cash by Investment as of July 31	\$ 4,455,366.34

Cash Receipts are deposited in Mission Bank and sent electronically to Kern County Treasurer. Cash in Transit at month end will be reflected in the Kern County Treasurer balance. Warrants are approved by IWVGA Board and administratively processed by IWVGA staff. Warrants are executed by Kern County staff. Outstanding Warrants are vendor invoices received and not yet paid. Outstanding Obligations are detailed in a separate attached report.

To:	Carol Thomas-Keefer, General Manager Indian Wells Valley Groundwater Authority
From:	Michael W. McKinney, President Capitol Core Group
cc:	Steve Johnson, Stetson Engineering Jeff Simonetti, SVP Capitol Core Group Todd Tatum, SCA Capitol Core Group
Date:	August 10, 2022
Subject:	Project Update Memorandum – July 2022 Activities

The following will summarize Capitol Core Group activities for the month of July 2022 and detail potential/ongoing activities for August 2022.

### Task 1 – Secure Imported Water Supplies

In July, Capitol Core had ongoing negotiations with "Private Seller-2" for the proposed purchase of Table A supply. There were some modifications to the Authority's Letter of Intent and all changes were finally approved on both sides. The final approved draft of the Authority's Letter of Intent was sent to the Seller for signature and has been countersigned. Due diligence meetings have been scheduled for early August and we are drafting a purchase and sales agreement to continue the transaction.

Task 2 – Secure Federal Funding Sources

### FY 2023 National Defense Authorization Act

Formal introduction and markup (Hearing) of the FY2023 National Defense Authorization Act (NDAA) took place during June. Capitol Core formally secured statutory amendments within the House-version of the NDAA (HR 7900) to the Defense Communities Infrastructure Program's (DCIP) Implementation Guidance concerning eligibility of projects located on federal lands. IWVGA suggested language was included in the *Chairman's Mark* of HR 7900 which was reported by the House Subcommittee on Readiness and the full House Armed Services Committee during June. HR 7900 passed by a vote of 329-101 on July 14<sup>th</sup> with our language included. The language is below:

# Subtitle H—Other Matters SEC. 2871 [Log 75522]. DEFENSE COMMUNITY INFRASTRUC TURE PROGRAM. Section 2391(e)(4)(A)(i) of title 10, United States Code, is amended by inserting "or on property subject to a real estate agreement with a military installation, includ ing a lease or easement" after "installation".

The Senate version of the NDAA is pending introduction of the *Chairman's Mark*. In our discussions with the Senate Armed Services Committee, the same language will be introduced in the Senate version. Formal Senate action on the NDAA will likely not take place prior to the August Congressional Recess. Capitol Core will continue to monitor the bill when it is introduced to ensure that the language included in the Senate version is the same as the House version.

### Water Resources Development Act of 2022

Capitol Core formally secured directive Committee Report language in the House-version of the *Water Resources Development Act of 2022 (WRDA-22), HR 7776,* during June. This language requires the Army Corps of Engineers in consultation with the Indian Wells Valley Groundwater Authority and the U.S. Naval Air Weapons Station China Lake to study the interconnection route, provide cost-estimates, analyze right-of-way requirements, and study potential regional impact on water supply needs. This language is not statutory but is directive within the Committee Report and is therefore not subject to Congressional resolution between the House and Senate versions. The specific language is below:

"The Committee directs the Corps to develop a strategy in consultation with the Indian Wells Valley Groundwater Authority and the Naval Air Weapons Station China Lake to resolve water supply needs and eliminate overdraft in the Indian Wells Valley groundwater basin in California. This strategy shall develop measures needed to provide water supply resiliency in the basin and for the critical Federal defense assets that overlie it, including, but not limited to, importation of water, construction needs, rights of way, estimated costs, and projected future growth both on and off-base in the basin. The Corps is directed to provide this strategy to the House Committee on Transportation and Infrastructure and the Senate Committee on Environment and Public Works within 180 days of enactment of this Act."

HR 7776 passed the House of Representatives on June 8, 2022. The Senate passed HR 7776 by a 93-1 vote on July 28<sup>th</sup>. Now that WRDA-22 has been passed, Capitol Core will work with the Los Angeles Office of the Army Corps of Engineers to begin implementation of the directive requirements.

### Task 3 – Secure State Funding Sources

### State Budget

Despite news of agreement between the Governor, Assembly and Senate on the FY2022/2023 State Budget, passage of the "main" or "topline" budget would indicate continuing negotiations on water and energy programs. The Governor's proposed "Drought Resiliency," "Water Resiliency," and "Energy Reliability" programs as well as the Senate's proposed "Water Package" amendment were <u>deferred</u> within the Budget Bills that passed on June 30, 2022. The Legislature has indicated that an additional State Budget Trailing bill is under development to address deferred main budget items.

As passed, the State Budget Act contained sufficient appropriations for Agencies to continue operations and some mutually agreed upon programmatic funding. Capitol Core continues to work on the State Budget programs relative to water supply and infrastructure. Budget trailer bills must be passed in the State Legislature by no later than August 31<sup>st</sup>.

### IWVGA June/July 2022 Report (Michael Sims – Lead Leak Detection Specialist)

June 21 Zenner Factory Tour with Team and Gene McMillian (iFlow) educational purposes

June 22 Prepping documents for meeting with team and water systems. I've been communicating with the four systems and scheduling a workshop to meet and discuss further information. Inyokern CSD (Bonnie) has committed to opening their facility for these two workshops in July. She did a great job in providing a convenient and comfortable place for all the water systems to meet and greet for our workshops on: Water Conservation/Drought and Meter change out procedures.

Each of these four systems have been very helpful and excited in what's happening with the extension. Gathering much more information from iFlow-Gene McMillian on Zenner and AXIOMA ultra-smart meters. Received proposal quote for all meter change out, installation, parts and software from iFlow and reviewed. My many questions which will be answered at the workshop in July along with each systems question's.

<u>July 26</u> Workshop Meeting Onsite at Inyokern Community Service District 1st Day Water Conservation/Drought Plans Workshop – Inyokern CSD Office Mgr. Bonnie Minnis, China Lake Acres Mutual Water Company, East Inyokern MWC and West Valley MWC. I did a PowerPoint presentation on the subjects and showed the templates will be implementing? There was much interest and questions.

<u>July 26</u> Team Strategy Dinner Meeting- I have assigned each of the team a water system to oversee and help do these Drought/Conservation/Contingence templates Plans.

<u>July 27</u> Workshop Meeting Onsite at Inyokern Community Service District 2nd Day Meter changeout/installation SOP-Q/A Onsite at Inyokern CSD with China Lake Acres Mutual Water Company, East Inyokern MWC and West Valley MWC. Meter Change-out Program. IFlow and Golder Meter Installers provided all the needed information and answered all question. Gathering much needed information on meters sizes, boxes, lids, valves, location, meter read out sheets and Gene asked for a Propaganda Study for the AMI software, etc.

I've attached the sign in sheet.

July 28 Gene has gathered all the meter sheets with addresses to do the propaganda study.

July 29 I made sure all systems have everyone's contact information to network for the future.

### Meter Installation Order submitted to iFlow:

- 1. East Inyokern MWC
- 2. West Valley MWC
- 3. Inyokern CSD
- 4. China Lake Acres MWC

iFlow is in review of proposal set forth by CRWA for payment method, order expected to be executed by August 12<sup>th</sup>.

July 26 with 1 person representing their system

July 27 with a few more per system and installers in back row.

\*Sign in sheet for class attendees located on next page

Turn this over to learn what the Indian Wells Valley Groundwater Authority is doing to protect our water supply...

Through its state-approved Groundwater Sustainability Plan, IWVGA is creating a reliable groundwater supply for the future by:

- securing rights to imported water and building the infrastructure to convey it to our basin
- developing uses for recycled water to supplement our limited local supplies
- providing monetary assistance to owners of impacted shallow wells
