IWVGA Board Meeting

October 17, 2019

- **Proposition 68 – Available Funding**
 - Minimum grant amount = \$200,000 (if previously awarded Proposition 1)
 - Maximum grant amount = Up to \$2 million (but reduced if previously awarded Proposition 1)
 - Preliminary indication from DWR is that IWVGA can receive up to \$330,000 if successfully awarded

- **Previous Proposition 1 Funding (2017)**
 - IWVGA received \$2,146,000
 - \$1.5 Million for GSP development (Category 2)
 - \$646,000 for SDAC projects (Category 1)

IWVGA Board Meeting

October 17, 2019

- **Proposition 68 - Local Cost Share**
 - Local match is 25%, but may be reduced based on “Disadvantaged Areas” (i.e. DACs, SDACs, and EDAs)
 - IWVGA cost share may be reduced to 15%
- **Proposition 68 - Projects**
 - Eligible projects include activities associated with development or implementation of a GSP
 - IWVGA proposed Projects include:
 - 1) Imported Water Supply Procurement (Capitol Core, recover past costs)
 - 2) Groundwater Allocation Process (recover past costs)
 - 3) Shallow Well Mitigation Plan (preparation in 2020)
 - 4) Groundwater Pumping Fee Support (recover past costs if eligible)
